Course rules.

1. On the first hole the player should throw between two mandatory trees which are marked with signs and yellow paint. If the player throws from the wrong side of the mandatory and does not get into the basket, then he (she) plays from drop zone between mandatory trees, and adds one penalty throw to his (her) score. If the player gets to the basket with one shot, but wrong side of the mandatory, his (her) score on that hole is 3.

2. Second hole has an out of bounds (ob) area - the asphalt field for the trailers on the right side of the fairway. Player should continue to play where disc entered into the ob area according to the PDGA rules and he (she) gets one penalty.

3. On the third hole there is a marked mandatory tree and the player should play from the right side of it. Playing wrong side of the mandatory, player goes to drop zone to the right from mandatory and throws from there. Player adds one penalty throw to his (her) score. Third hole has the same ob area as the second hole.

6. On the sixth hole there is a marked mandatory tree and player should play from the right side of it. Playing wrong side of the mandatory, player goes to drop zone - to the right from mandatory and throws from there. Player adds one penalty throw to his (her) score. Sixth hole has out of bounds (ob) area - the asphalt road and the land behind the asphalt road after the road turns to the left.

7. Seventh hole has an ob area - the asphalt road and the land behind the asphalt road.

8. Eight hole has an ob area - the asphalt road.

9. Ninth hole has an ob area - the asphalt road and the land left side of the asphalt road. Also the ob area is the stadium after the fence and ob line is that fence (check the map).

10. Tenth hole has an ob area the asphalt road and the land left side of the asphalt road.

11. Eleventh hole has an ob area - the asphalt road and the land behind the asphalt road.

12. On the twelfth hole there is a marked mandatory tree and player should play from the right side of it. Playing wrong side of the mandatory, player goes to drop zone - to the right from the mandatory and throws from there. Player adds one penalty throw to his (her) score. Ob area is the asphalt road and the land behind the asphalt road.

13. Thirteenth hole has an ob area the asphalt road and the land behind the asphalt road.

14. On the Fourteenth hole there is a marked mandatory tree and player should play from the right side of it. Playing wrong side of the mandatory, player goes to drop zone - to the right from the mandatory and throws from there. Player adds one penalty throw to his (her) score. Ob area is the asphalt road.

15. Fifteenth hole has an ob area - the asphalt road and the land right side of the asphalt road.

16. Sixteenth hole has an ob area the asphalt road and the land behind the asphalt road.

17. Seventeenth hole has an ob area - the asphalt road and the land behind the asphalt road.

18. Eighteenth hole has ob area. A safe area is considered all the area between the fence on the right up to the second fence counting inward on the left. Everything else is ob. On this hole as an exception, the asphalt road is not ob.
